

Battle Of The Bands Interviews

Electronics Ensemble

As this is your first Battle of the bands concert you will be performing in, how do you feel about performing in front of a guest judge?

We don't feel nervous because we know our band will do well and we have some good songs in mind.

What songs do you have in mind for the concert?

The songs we have in mind are Insomnia, when mom isn't home and around the world.

Do you feel that you have the potential to win?

Yes because the songs we will be performing have great potential to make us win.

Other than yourselves, who do you think is most likely to win?

Well, we think that the year 9 band have been practicing very thoroughly this year so they could easily win.

Is this going to be the concert that is most important to you?

Probably, because in this concert there is a competition involved.
