Dear Parent/Carer

RE: YEAR 8 BIG BANG FAIR NEC BIRMINGHAM, WEDNESDAY 13 MARCH 2019

The Big Bang UK Young Scientists & Engineers Fair is the largest celebration of science, technology, engineering and maths (STEM) for young people in the UK. It is an award-winning combination of exciting theatre shows, interactive workshops and exhibits and careers information from STEM professionals. We would like to offer our Year 8 students the chance to understand how important scientists and engineers really are... they literally shape the world around us! The number of exciting career possibilities that exist within science, technology, engineering and maths are endless and the best news is, there's a route for everyone.

There are 60 places available and we are requesting a voluntary contribution of £15 per student, towards this trip. Should you have difficulty in meeting this amount, please contact the School in confidence on office@enfieldgrammar.org. Please be aware that if this trip cannot be funded by voluntary contributions it will need to be cancelled.

Please return the attached reply slip to the Upper School Office by **21 December 2018**, together with £15 paid through ParentPay.

Please contact me if you have any questions.

Yours sincerely

L Merrett

L Merrett (Mrs)
Deputy Head of Science

YEAR 8 BIG BANG FAIR NEC BIRMINGHAM, WEDNESDAY 13 MARCH 2019

Student Name: _____ **Form:** _____
