

## **Enfield Grammar School Partner Clubs**

Enfield GS is committed to supporting the development of football in Middlesex and increasing participation. We recognise that in order to grow the game clubs need access to low cost, high quality facilities. The new 3G artificial grass pitch gives us the opportunity to work more closely with local clubs and the Middlesex FA to encourage grassroots football.

We are now offering all the clubs who use Enfield GS the chance to become a partner club and play a key role in promoting football in Middlesex.

### **What being a Partner Club means**

- Your club will be offered priority booking for vacant slots
- Your club will pay a reduced price for pitches

### **Your commitment**

- You will support Enfield GS to enforce the rules and code of conduct.
- You will report any players or teams who fail to comply with the rules or code of conduct
- You will be part of the Enfield GS User Steering Group and help us to deliver the football development plan
- As a minimum, you will be a partner for the next 2 years.

### **Our Commitment**

- We maintain the pitch to the highest possible standard and address any concerns or issues raised with us in a timely fashion
- We will notify you as early as possible should the pitch not be fit for use due to weather or any other circumstance.

### **Becoming a Partner Club**

In order to become a partner your club must:

- have a constitution and hold an AGM
- have audited annual accounts
- be affiliated to the Middlesex FA,
- be FA Charter Standard (Club/Development/Community), or committed to achieving FA Charter Standard status within a timescale to be agreed with the Middlesex FA Raising Standards Officer.

### **Partner Club Booking Requirements**

Our partner clubs will get priority access to make bookings, before they become available to the general public. Once accepted as a partner, the club must adhere to the following conditions:

- maintain up-to-date contact details for all their committee members
- provide a single email address for billing
- have the ability to make payments by credit or debit card
