Personal Statement for all students to complete

(Briefly outline your course selection and decision to apply for Enfield Grammar School)

Reference contact for external students only

Name:

Position:

School Address:

Email Address:

The School will normally accept up to a maximum of 120 students per academic year into the Sixth Form. 108 places are prioritised for Enfield Grammar students, including 8 places for Sport and Music Scholars. A maximum of twelve places are reserved for non-EGS/external applications. These places will be re-allocated to EGS pupils if they are not filled by external applicants.

Entry Requirements to the Sixth Form

GCSE grades attained are used to determine which will be the most appropriate courses for each individual student.

All students will have to take subjects in a minimum of three blocks excluding any GCSE re-sit. Any student who does not achieve a Grade 4 in English or Mathematics has to take a GCSE re-sit course.

Students must meet the entry requirements for each course they wish to take.

To gain entry into the sixth form students require 5 grades of between 9 and 5.

In most cases to take an A level course students need to achieve at least a B or Grade 6 in the relevant courses. Please see course handbook on school website for more details.

To take A-level maths students must achieve a Grade 7.

Students wishing to take BTEC courses require a minimum Grade 4 in English and Maths, with the expectation to re-take as required.

Students are able to select a combination of A-levels and BTEC courses.

Please be aware all courses are dependent on sufficient student numbers, but as a school we will do all that we possibly can to ensure we are able to offer all courses selected by students.

A copy of the full admissions policy is available on the school website.

All courses are dependent on sufficient student numbers and individual student grades and blocks are subject to change.

If a course is removed then we will inform students and offer alternative courses.
