Dear Parent/Carer

Charity Collection Project for The North Enfield Food Bank – Friday 10 May

We are writing to advise you about a charity project proposed by an Enfield Grammar student in Year 12.

The Year 12 student who is organising the project is intending to give an assembly to Year 7 & 8 students next week telling them all about this great charity and how they can help. This message will also be given to Upper School classes by their form tutors as he would like as many students to get involved as possible.

He is wishing to collect non-perishable, preferably tinned food, to donate to The North Enfield Food Bank who support under privileged families, by providing foodstuff for them.

The simple donation of a tin of food from as many students as possible could help many families who are struggling with financial difficulties and who rely on foodbanks.

He would be grateful if any donated items could be brought in at the beginning of the day, on **Friday 10 May**, and left with the Prefects helping with this project. They will have collection points at the front of the Lower School on the steps from 8.15am, and in the Main Hall at the Upper School on the stage.

The Year 12 students would really like students and the staff at the school to get involved with this as they feel we can all work together to help others.

Mr C Lamb, Head Teacher, and all at Enfield Grammar School are in full support of this worthy project.

Thank you for listening
