

Controlled assessment is work which is completed over a period of time, under supervised conditions in class time, which contributes to a final GCSE grade. The percentage that each controlled assessment unit contributes to the overall GCSE varies depending on the subject. The percentages are given below along with the date by which we plan for controlled work to be complete.

Subject	Component	% of GCSE	Planned Completion Date
Art	Unit 1: Portfolio of Work	60	w/e 29 Jan 16
Art	Unit 2: Externally Set Task	40	Jan - Mar 16
