

**MARDEN HIGH SCHOOL
CHRISTMAS 2018 CHARITY APPEALS**

This year we will once again be taking part in a kindness appeal for the Bay Food Bank - a charity who support people in North Tyneside who may be struggling and unable to afford to eat.

Lots of people who work full time jobs may still need to use a food bank but very vulnerable people are also supported by the amazing work that food banks do.

Students can bring in tins and packets of food to donate and will be rewarded with House points by their form teacher. They will then be stored and boxed in the LRC ready for distribution this Christmas. See Mrs Macleod for more information.

If members of our local community would like to contribute, donations would be kindly received at the school's reception.
Thank you.

For more information, visit <http://thebayfoodbank.org.uk/>

As always, we are also collecting donations for the Newcastle Cat and Dog shelter, to help with the extra demands placed on the charity at this time of year.

Tins of food, toys, treats and bedding/blankets would be greatly appreciated.

Please bring them to the LRC or give to Mrs Noble, Mrs Williams or Ms Griffiths. Thanks!
