

Year 6 - Home Learning - Term 1

Choose one from each box to complete and bring in on the Tuesday 16th October 2018.

Learning Adventure:

Find out about the differences between temperate and tropical rainforests.

Present the rainforest through a 3D model, ICT presentation or simulation.

Why are rainforests so wet? Find out about what causes rainforest weather systems.

Design and make some rainforest jewellery. Explain your design choices.

Find out about the first European explorers to discover Brazil.

RE: Choose an Old Testament Bible story. This could be one that we have been studying or a different one.

Choose one of the following:

Write a diary account as one of the characters from the story.

Produce a newspaper report on the events in the story.

Write a scene from the play-script of the story.
