

### Year 3 Home Learning - Term 2

Choose **at least ONE** Home Learning Task from one of the boxes below. These will be due in to school on **Friday 14th December 2018.** Please note that you can use any medium such as electronic, 3D, paint etc.

Read daily for at least 15 minutes and record in your blue communications book which need to be in school daily. Practise the spelling patterns and times tables received.

#### Learning Adventure Tasks:

- Research and create a board game about Light and Shadow.
- Show your understanding of Light and Shadow in a visual representation.
- Find out about historical landmarks in London. Present findings in a unique way.
- Create a funny or memorable way to clearly demonstrate using the rules of punctuation.

#### RE Tasks:

- **Research and write** facts about Sacrifice. Find real life examples where people have lived sacrificial lives.
- **Research** and **present** information about Advent in different countries around the World.
- **Research** different artists and **create** a piece of Advent artwork based on the artists style—You can use any media such as collage, pastels, paint, clay etc.
- Keep a diary of Advent in your house and how your family prepares for Christmas.

Thank you for continuing to support us and your child, by ensuring they complete all their Home Learning and return it on time. However in a small minority of cases, children are leaving their home learning to the last minute which means they are missing out on the opportunity to plan and develop their ideas and share successes with the year group.

Your child will still receive their weekly spelling patterns and times tables to practise. We have identified the need to improve spellings across the year group . Your child is therefore expected to learn and practise their spellings. All children have received their mathletics logins to access at home and follow the learning packages.

Thank you again for all your enthusiasm in helping to settle your child into their new year group.
