

Year 4 Home Learning - Term 3

Choose ONE Home Learning Task from each of the boxes below. These will be due in to school on Tuesday 12th February 2019

Learning Adventure Tasks:

- Write an adventure story about an archaeological discovery. What amazing artefact did your character discover and what did it lead to?
- Plan a healthy menu for a family for a day. How will you make sure they get everything that their bodies need to stay healthy, work and grow? It could be a Saxon family!
- Research and create a timeline with at least ten different events (e.g the Battle of Hastings) or periods of time (e.g Saxons or Celts).
- Do you have your **own idea** for a project? Talk to your class teacher to agree it before you begin.

RE Tasks:

- Design and make a box that can be used to hold special tokens or memories. This could include a prayer or a hope inside.
- Find out about how Jewish children and their families celebrate Hanukah. Perhaps you could try one of the traditional games or recipes that you discover.
- Do you have your **own idea** for a project about Judaism? Talk to your class teacher to agree it before you begin.
