

Discrete Learning

Maths

We shall continue our coverage of the Maths Mastery curriculum by learning to use the column method for addition and subtraction and apply them to a range of problems.

French

This term we will be learning how to tell people what the weather is like.

Science

We will be learning how sound travels.

RE

We will be learning about Christian festivals, focusing on the Easter Story and the Stations of the Cross.

Year 4 — Terms 4

Our Learning Adventure is:

Thank you for your continuing support.

The Year 4 team

Vicious Vikings?

History

Were the Vikings really vicious?

We will work alongside Hastings Museum to find out for ourselves!

DT

We will be making Viking models.

Dance

Taking inspiration from Prokofiev's 'Dance of the Knights', we will be working as a year group to present a dance telling the story of the Viking invasion of Lindisfarne.

Geography

We will consolidate our map skills by looking at Viking landing places.

English

Using a range of sources, we will research the famous Viking ships. Our research will be used to create our own information texts.

Art

We will explore a variety of different techniques for drawing with pencils and creating areas of light and shade. We will take inspiration from the artist Escher.
