

Discrete Learning

Maths

We will be focusing on multiplication and division. This will include improving our recall of times tables facts as well as written methods for larger numbers.

PE

Our regular timetabled PE day is Monday although PE kit should please be in school every day. We will be beginning to develop athletics skills in preparation for Sports Day.

Modern Foreign Languages

Our learning in French will focus on being able to use colours to describe objects.

PSHE

Our theme this term is 'healthy me'.

RE

We will build on our learning about Christianity by learning more about Jesus and the ascension.

Curriculum News

Year 5 — Term 5

Our Learning Adventure is:

Earth and Space

Science

Our learning adventure will be based on our Science unit. We will learn about how the Earth and Moon move in relation to each other and the sun, why we have day and night and why the sun appears to move across the sky during the day.

English

Our main text will be 'George's Secret Key to the Universe' by Lucy and Stephen Hawking. We will be exploring newspaper reports as well as developing our work on characters.

DT

We will investigate using cams to create Space scenes with moving parts. We will use these scenes to share our learning with another year group.

Music

We will be exploring 'The Planets' by Gustav Holst and developing skills in working in a round.

Trips, Visitors and Events

We are fund raising to have an astrodome visit us in school.

We will be using the outdoor environment to investigate sun dials and make observations about how the sun seems to move.
