

Year 5 Home Learning - Term 5

Choose one Home Learning Task from each box below. This will be due in to school on Tuesday 4th June.

- Create a moon chart tracking the phases of the moon.
- Make and photograph a sundial. How accurate can you get it to be.
- Investigate another planet in the solar system. Choose how you will report your findings.
- Find out about a mission to the moon. Write a fact file on what you discover.

RE Tasks:

- Write about a time you have followed Jesus' mission.
- Write in role as a disciple about the Ascension day.
- Create a model of the ascension day.
