

Mill Hill Primary School

Sports Premium Funding Statement

Funding for 2016/2017

Mill Hill Primary School understands and values the importance of physical activity and sport. The children are encouraged to undertake a range of sports and activities both within the Physical Education (PE) curriculum, at playtimes and also in extracurricular activities. The Departments for Education, Health and Culture and Media and Sport have allocated ring-fenced funding, to all schools, to support the provision of PE and sport in schools. This is allocated as a base figure of £8,000, with schools then receiving an additional £5.00 per pupil.

In the academic year 2016/17, we received £9,601. We have decided to spend this money in the following way:
