

Adelaide Primary School

2017/2018

PE/Sports Premium Allocation

Adelaide Primary School is an exciting inner-city school that provides a first class educational experience to its children. We aim to ensure all our children are safe, enjoy coming to school, achieve highly and are very well prepared for life in modern Britain. To achieve this, all members of the Adelaide school community are expected to take responsibility and make a valuable contribution. Our core values of respect, equality and effort underpin all aspects of our work.

Adelaide Primary School

PE/Sports Premium Allocation 2017/2018

Department for Education Vision for the Primary PE and Sport Premium states-

ALL pupils leaving primary school will be **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

OBJECTIVE: To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (*above*) that will live on well beyond the Primary PE and Sport Premium funding.

There are 5 key indicators that schools should expect to see improvement across:

- the engagement of all pupils in regular physical activity
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

For example, you can use your funding to:

- hire qualified sports coaches to work with teachers
 - provide existing staff with training or resources to help them teach PE and sport more effectively
 - introduce new sports or activities and encourage more pupils to take up sport
 - support and involve the least active children by running or extending school sports clubs, holiday clubs and Change4Life clubs
 - run sport competitions
 - increase pupils' participation in the School Games
 - run sports activities with other schools
- You should **not** use your funding to:
- employ coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements - these should come out of your core staffing budgets

- teach the minimum requirements of the national curriculum – including those specified for swimming.

Under the 2015 Inspection Framework, Ofsted inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively governors hold them to account for this. Improvements should enhance, rather than maintain existing provision. For example, where schools are using their funding to employ specialist coaches, these should be deployed alongside class teachers rather than displacing them, in order for their impact to be sustainable and to enable the upskilling of existing teachers.

Total funding allocation for 2017/2018: **£19000**

How will PE/Sports Premium additional funding be allocated in 2017/2018?
 Why has the school chosen to spend the funding in this way?
 What will the impact be?

PE and Sport Premium Key Outcome	School Focus/ planned <i>Impact on pupils</i>	Cost	Actions to Achieve Who will deliver and when?	Sustainable Impact
