Dear Parent/Carer,

## **Year 13 mock examinations 8th - 12th January 2018**

Year 13 students will be sitting mock exams on the first week back after the Christmas break; Monday 8th Jan to Friday 12th Jan 2018. The information about exam times and locations will be displayed on the notice board in the post 16 study room. Any student with exam concessions will be roomed separately to the main examination room (LRC). If students have any queries about exam concessions they should talk to their subject teacher in the first instance. **Lessons will run as normal for the week so students will be expected in lessons when they do not have an exam.**

Student attendance to mocks is extremely important as results are used to assess current grade and allow us to support the progress of students in the run up to their final examinations. As with any examinations, we expect students to revise for these as they would any other assessment /exam, have all the correct equipment with them and arrive promptly.

We are compiling information for each subject which includes exam paper structure, topics covered and revision materials. This will be shared with the students by the end of next week. Please find the timetable for the mock exam week.
