 - Being involved in the organisation of 60th Birthday
 - Donating to the AHS Building a Brighter Future School Fund (please see overleaf)
 - Taking part in the 'Women Who Inspire' Initiative (please see overleaf)
 - Sponsoring a Personal Commemorative Plaque (please see overleaf)
 - Receiving AHS Newsletters

THANK YOU FOR YOUR SUPPORT

Aylesbury High School Initiatives

For further information, please contact our Development Director, Alison Pexton
apexton@ahs.bucks.sch.uk

BUILDING A BRIGHTER FUTURE SCHOOL FUND

AHS's Building a Brighter Future Fund is our scheme where parents and our alumnae donate monthly by direct debit, or through a one-off donation. The Fund is vital to support our development projects, improving both the school's equipment and facilities. Although many of our facilities are excellent, there is always more to do to provide the very best learning environment for our students, and your donations will enable us to provide the very highest quality education for current and future generations of students.

Whenever you were at AHS, you almost certainly saw the school's facilities being enhanced - ever since 1959 the site has been evolving to meet the changing needs of the school, and we are presently drawing up ambitious plans to transform the Tower Block. In the last ten years alone, we have built a Sixth Form Centre, given the science labs a much-needed makeover, created new classrooms for history, languages and psychology, and ensured that our students are well-equipped to take their place in a fast-changing digital world. None of this would have been possible without the generosity and support of parents and alumnae.

As one of the lowest-funded secondary schools in England (and quite recently, the lowest-funded), we cannot pay for significant improvements from our revenue budget alone. If you tick the box overleaf we will send you further information, which can also be found on our website under Supporting Us.

WOMEN WHO INSPIRE

We aim to celebrate the success of our Alumnae and to share your achievements with our current students, parents and wider community. The inspiration which motivated you to make your career choices could help our students decide theirs and influence their ambitions and aspirations.

With that in mind, we aim to run a series of events throughout the year, including interviews, guest speaker presentations, debates and student workshops, and would be delighted if you could participate. Please tick the box overleaf and we will be in touch to see if we could involve you in inspiring our present students.

AHS ALUMNAE MEMORY WALL

We would like to invite Alumnae to commemorate their time here by sponsoring a personalised plaque which will be displayed on our Alumnae Memory Wall. This is an excellent way to permanently remember your time at our school and to be apart of its evolving history.

Your plaque will display your name, your House and your years of attendance at Aylesbury High School. We are asking for a sponsorship donation for each plaque and these donations will go to the AHS School Fund, to benefit students for many years to come. Please tick the box and we will send you further details.

THANK YOU FOR YOUR SUPPORT
