

After the Easter holidays Buckler's Mead Academy will be rolling out access to the Sims Parent Lite App.

The Parent Lite App allows schools to easily and securely communicate with parents to update and ensure the accuracy of their personal data.

Parents will receive an email from the school directing them to complete the registration process for SIMS Parent which also includes an activation code and icons from which you can click to download the app.

The SIMS Parent App can also be downloaded from either the Apple app store or the Google Play store. Search for **SIMS Parent** and follow the download and registration instructions.

How do Parents log in?

You can register to sign in with your existing credentials with any of the below account providers:

- Microsoft/Office 365
- Twitter
- Facebook
- Google

If you do not have an account with any of the above providers, then you can create a Microsoft account [here](#) or a Google account [here](#) using your existing email address.

Once the SIMS Parent App is downloaded onto a mobile device, an icon will be available on the device menu that will take users directly to the app.

Also parents can access the SIMS Parent website by going to:

<https://www.sims-parent.co.uk>.

Which devices are supported?

SIMS Parent supports Android version 4.4 (kitkat) and above, and IOS version 8 and above. Software is supported as opposed to devices.
