In booking your school day at OpenZone there are a number of things you need to remember.

You will need to:

- Provide a class list on arrival.
- Have appropriate number of staff to children as a minimum. We would always suggest at least 2 members of staff, but refer to your own school policy. We encourage you to have adult helpers on your trip.
- A First Aider should accompany the group with your own first aid kit including any inhalers, Epipens etc. needed by students.
- Please make centre staff aware of any specific medical needs i.e. nut allergies.
- A risk assessment should be carried out prior to the visit. Generic risk assessments are available from OpenZone on request.
- Arrange your bus to drop off and collect from the turning circle on Temple Park Road – mini buses only are allowed to come to the door.
- Inform centre staff of arrival and departure times.
- Alert centre staff of any children with SEN, behavioural or safeguarding needs.
- Please be aware that we may use the pictures, videos or work as display in our centre, social media or website. Please inform staff if this is not supported by your school policy.
- Have relevant permission forms signed, for example for photographs, and bring along a camera for photo evidence of your day.
- Inform centre staff of any children who cannot have their photo/video taken.
