

Upcoming **FREE** Mash Meet in your area

Computing

If you need to deliver the Computing curriculum in Key Stage 1 or 2 and wish to know how Purple Mash can support teaching and learning in this area, then this is the Mash Meet for you. We'll give you a tour of the key Computing resources and there will be time to ask questions and discuss lesson ideas.

Who is this Mash Meet for?

Computing subject leaders, teachers and teaching assistants who are responsible for teaching the computing curriculum in primary schools in England.

This Mash Meet will include:

- Engaging coding activities for KS1 and KS2
- Monitoring and assessment in coding
- Setting and sharing computing activities
- Teaching email and e-safety with 2Email

Benefits and outcomes:

- Understand how Purple Mash can be used to teach coding and email
- Cross-curricular ideas for embedding computing objectives
- Know how to monitor and assess computing activities in Purple Mash

Where & When:

The Open Zone
The Word
45 Market Place
South Shields
NE33 1JF

Wednesday, 27th June 2018
16:00 - 17:15
