25 Students from Year 7 and Year 8 took part and represented St Mary's in the Sainsbury's School Games Newcastle Trampolining Competition against other schools within the city. The students competed within 2 events, completing a compulsory routine and a voluntary routine that each student individually created.

Students were entered within a range of levels from Beginner to the development level, performing their routines in a team event.

This event was a fantastic occasion, with all students performing brilliantly on the day! All students showed great courage and supported one another greatly within the competition.

A particular mention should be made to Leah Stobbart who finished within the top three in the category and shall be representing St Mary's and Newcastle City in the finals held on Saturday 9th November, in Sunderland. Huge Congratulations to Leah Stobbart for finishing 3rd in her category and represent St Mary's within the finals. Although Leah was unfortunate to finish in the top three in the finals against some tough competition, she performed excellent on the day.

A massive well done to all students involved:
