

## St Marv's Catholic School

**Date: 2017-18**

St Mary's Catholic School is housed in newly built accommodation for 1250 students. The site and school were designed and built to meet the needs of all students, staff and visitors, ensuring accessibility to all areas and appropriate physical provision for learning.

This Accessibility Plan demonstrates the continuous improvements the school seeks to make to ensure disabled students can participate in the school and wider curriculum, in the physical environment and in the availability of accessible information for disabled pupils.
