

Sports Premium Pan 2017- 2018

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- make improvements now that will benefit pupils joining the school in future years

For example, you can use your funding to:

- hire qualified sports coaches to work with teachers
- provide existing staff with training or resources to help them teach PE and sport more effectively
- introduce new sports or activities and encourage more pupils to take up sport
- support and involve the least active children by running or extending school sports clubs, holiday clubs and [Change4Life](#) clubs
- run sport competitions
- increase pupils' participation in the [School Games](#)
- run sports activities with other schools

Funding Allocation:

£16,000 core grant

£2460 per pupil grant.

Total: £18, 460

Priorities 2017-18

	Overall Objective	Criteria
	To improve pupil outcomes in physical education	<ul style="list-style-type: none"> ● Improve children’s health ● Improve competition in physical education ● Improve the quality of teaching ● Broaden the opportunities for pupils in sport
