

St Joseph's RC Primary Accessibility Plan 2016 – 2019

Improving the Physical Access

	Item	Activity	Timescale	Cost £
1.	Sensory Element to outdoor space	To add features to the outdoor classroom to enhance the experience for visually and hearing impaired.	2017	£300
2.	Wheelchair Access to Annex	To change the entrance to the Annex by putting in a slope to allow wheelchair access.	2017	TBC
3.	Path to outdoor classroom	To add a path through the grass to the outdoor classroom.	2018	TBC
4.	Path to pond	To add a path to the pond.	2019	TBC

Owing to the significant accessibility issues around the building, the physical environment of the school will be managed as the need arises.
