In God's love we learn and grow

Dear Parents and Carers,

Monday, 12th September 2016

Welcome back to the new academic year and may I extend a warm welcome to our new Nursery and Reception children and any new families.

May I thank you on the way the children have returned to school. They all look extremely smart in their uniforms.

Your child should have brought home today the Calendar of Events for this term and other information about what your child will cover in lessons. There should also be a Homework timetable.

Finally, I look forward to a good year, working together for the benefit of all your children.

Thank you.

Yours faithfully,

Mrs E A Seagrove
