

## St Joseph's Primary School

## PE and Sports Funding 2016-17

### What is the PE and Sports Funding?

The government is currently providing additional funding of £150 million pounds each year to improve provision of physical education and sport in primary schools. This funding is ring-fenced and therefore can only be spent on the delivery of PE and sport in school.

### Purpose of funding

Schools must spend additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Possible uses for the funding might include:

*Hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE.*

*New or additional Change4Life clubs*

*Paying for professional development opportunities for teachers in PE and sport*

*Providing cover to release primary teachers for professional development in PE and sport*

*Running sport competitions, or increasing pupils' participation in the School Games*

*Buying quality assured professional development modules or materials for PE and sport*

*Providing places or pupils on after school clubs and holiday clubs.*

During the financial year 2016-17, it is anticipated that we will be allocated £8870.

### How will we invest this at St Joseph's Primary School?

At St Joseph's our aim is to ensure a lasting legacy for the additional funding. Our plan is to use the money to maximise the long-term impact of our PE provision for pupils and staff. The money will be spent so that all children will benefit regardless of sporting ability; that children will be given the opportunity to compete in tournaments; that staff will have access to training opportunities and continued professional developments and where necessary new equipment will be purchased.

Using the premium, the following provision for children and continued professional development for staff has been actioned:

## Provision Plan 2016-2017

<u>PE and Sports Grant used for</u>	<u>Amount allocated to the programme/activity</u>	<u>Is this a new or continued activity?</u>	<u>Brief summary of the programme or activity</u>	<u>Specific intended outcomes How will this intervention or action improve achievement for pupils? What will it achieve if successful?</u>
Joining the South Tyneside School Sports Network	£2500	New	Joining the network will allow staff access to quality CPD opportunities in key areas of PE, access to a range of competitions and festivals for children across all key stages.	See below for more details.
Participation/ Transportation costs to festivals both in and outside of the ST School Sports Network	£3000 (estimated)	Continued	This will include festivals for each year group and introduction of some new activities.	To promote a higher level of activity for <b>all</b> in St Joseph's through participation in festivals and competitions within our borough. Our aim is that each year group will take part in at least one Level 2 inter competition in this academic year.

Zoning and resourcing of a new, more active playground	£1000	New	To create more active break times for all children by zoning the playground and buying resources/equipment to be used at break times and lunchtimes, under the guidance of Playground Leaders and trained Lunchtime Supervisors.	Increased participation and fitness in PE and physical activity due to a range of activities on offer.
Year 6 Playmaker Award Training	£200	Continued	To train Year 6 as playground leaders who can then organise, set up and supervise play and physical activities for the younger classes at break times and lunch times.	A well organised, highly staffed active playground where young leaders work in line with adult supervisors to improve fitness and wellbeing.
Whole School PE days	£550	Continued	To engage all children in physical activity and learning new skills through a skipping day and a hula hoop day (KidzrFit)	To inspire children who are less active to choose and enjoy physical activity and new sporting skills.
Release of staff for CPD opportunities	£400	Continued	-Two Lunchtime Supervisors trained as playground leaders, through the School Sports Network -CPD for Early Years Practitioners -Planned CPD for	All staff more confident in delivering PE lessons and using effective assessment resulting in greater

			coordinator based on 'Outstanding PE for all' and 'Questioning and Resilience in PE', which will then be shared with staff.	progress and enjoyment for the children.
To access training, (through the School Sports Network) bespoke to our school.	(included in Network membership fee)	New	To develop a progressive curriculum plan across the key stages and develop effective assessment in PE.	To ensure children are sufficiently challenged, building skills from previous year groups through accurate planning and assessment

### **Actions Taken:**

- Since September '16, we have joined the South Tyneside School Sport Network at a cost of £2500.
- Our aim is that each year group will take part in at least one Level 2 inter competition in this academic year.
- To access training, (through the School Sports Network) bespoke to our school, in order to up skill staff and develop more effective planning and assessment.
- Year 6 taking part in Playmaker Training through Sports Development.
- Two Lunchtime Supervisors trained as playground leaders, through the School Sports Network
- CPD for Early Years Practitioners
- Planned CPD for coordinator based on 'Outstanding PE for all' and 'Questioning and Resilience in PE', which will then be shared with staff.

### **Expected Outcomes/Impact**

- To promote a higher level of activity for all in St Joseph's through participation in festivals and competitions within our borough. Our aim

is that each year group will take part in at least one Level 2 inter competition in this academic year.

- To meet the needs of all children through precise and well informed teaching and assessment.
- To create more active break times for all children by zoning the playground and buying resources/equipment to be used at break times and lunchtimes, under the guidance of Playground Leaders and trained Lunchtime Supervisors.
- Increased participation and fitness in PE and physical activity due to a range of activities on offer.
- All staff more confident in delivering PE lessons and using effective assessment.
- All children have the chance to participate in competitive sport at an appropriate level. Funding has, and will continue, to enable us to increase the number of opportunities through subsidising transport costs and enabling the release of teachers.
