Children in Year 5 should be doing approximately 30 minutes of homework each day. The children have new homework exercise books, which will contain the tasks that they are required to complete.

If there is no written homework, please ensure your child uses this time to read. Please hear your child read as often as possible (even if it's only 1-2 pages per night) and discuss the book they are reading. Reading records should be signed by an adult at least once a week.

In Year 5, the length of your child's reading book will determine how often they change it. For example, if they are reading a longer novel, they may have it for a number of weeks.

Thank you in advance for your support.
