Please see above outline homework timetable for Year 6. I will often let the children know how long a homework task should take – please encourage your child to try and complete the task in this time, as pace is very important in Year 6.

Homework is a very important aspect your child's learning. Please make sure that they have the opportunity to complete tasks between Friday and Wednesday. Any children who do not complete and return homework on Wednesday will be required to use their break/lunchtime to complete tasks on Thursday and/or Friday.

*If your child has no written homework to complete, please ensure your child uses this time to read. Please hear your child read as often as possible (even if it's only a few pages per night) and discuss the book that they are reading. Reading Journals should be used weekly, with the children choosing an appropriate challenge from the sheet inside the front cover. New Reading Journals will be issued to children this week.

Thank you in advance for your support.
