

Mission Statement

Our mission statement 'forward in faith', states what we strive to offer all our students:

Cardinal Wiseman Catholic Technology College is committed to providing an education for all our young people inspired by the teachings of Christ .The gospel message of love of God and of one another shapes our daily life.”

By 'gospel message' we mean the good news that God loved the world so much that he gave His only son, Jesus, (John 3:16), so that instead of being separated from God by sin we can enjoy life in all its fullness (John 10:10).Jesus tells us the way to do this is to love the Lord your God with all our heart ,all your soul ,all your mind and all your strength ...and to love neighbour as yourself (Mark 12:30-31).as we do this we will indeed be perfect as your Heavenly Father is perfect,(Mark 12:30-31).

Our distinct Catholic nature means that we see every child as a unique and precious creation of God and that it is our duty and privilege to teach them not only lessons in Maths and English but lessons in Values. We teach our pupils to be compassionate towards others, especially the less fortunate; and loving by their just actions and forgiving words; to be grateful for their own gifts, for the gift of all other people, and for the blessings of each day; and generous with their gifts, becoming men and women for others. We teach them to be learned, finding God in all things; and wise in the ways they use their learning for the common good.

We are a school that believes in excellence for all. Our mission statement is 'Forward in Faith' and we join our pupils on their life journey, at whatever stage they are, and take them forward to be the best learner they can be in all aspects of their life.

We value personal excellence and support our pupils to achieve it. At Cardinal Wiseman that means our pupils are challenged to be responsible, caring and kind and supported to be hardworking scholars who achieve exceptional exam success. Their many talents will be nurtured so that they can excel and move forward in confidence.

It is our privilege here to give each individual child all that they need to develop their exceptional talents in whatever direction they choose.
