

The Bushey Academy

Sixth Form Open Evening

Thursday 25th January 2018 • 6:30-8:30pm

Our Sixth Form provides a high quality academic education. We offer an excellent student to teacher ratio, good standards of teaching and our students achieve well in all subject areas.

We offer the full range of A Levels, including all core subjects, as well as a variety of additional post-16 options alongside Level 3 BTEC subjects.

We tailor personalised academic packages for all our students, and monitor progress closely each week. In addition, we have an impressive pastoral support system and an ambitious enrichment programme.

Come and see us in our fantastic, state of the art £30 million building and speak to our dedicated staff and current Sixth Form students.
