Step 3: Select Booking Mode

Choose Automatic if you'd like the system to suggest the shortest possible appointment schedule based on the times you're available to attend. Or if you'd rather choose the times to book with each teacher, choose Manual. Then press *Next*.

We recommend choosing the automatic booking mode when browsing on a mobile phone.

Automatic booking mode is only available if there are no existing bookings. If a member of academy staff has already made at least one booking for you any remaining appointments will have to be made manually.

Step 4: Choose Teachers

If you chose the automatic booking mode, drag the sliders at the top of the screen to indicate the earliest and latest you can attend.

Select the teachers you'd like to book appointments with. A green tick indicates they're selected. To de-select, click on their name.
