| Tuesday 5 January | - | School re-opens after Christmas holidays |

Parents can also check the school website for term dates from January 2016.

I hope to see as many as possible of you over our Christmas Period.

May I also take this opportunity to thank parents for their attendance at parents evening last week. Also to say thank you for your responses to the parental satisfaction form. It was clear from your responses that you are very happy with the school and the education your children are receiving.

The results of the parental consultation with regards to shortening the school day to 3.15 pm was that there was a significant desire to carry out this proposal. I will publish the actual result on the school website shortly. The next step is to seek approval from the School Governing Body and Local Authority. I envisaged that following this, this proposal will take effect from Easter 2016 (Summer Term).

Yours sincerely
