

Dear Parent

Welcome back to Dunn Street Primary School both to yourselves and your children. If you are new to our school, may I welcome you to our school with the hope that both you and your child are beginning a number of happy years spent in association with our school community.

I would like to introduce some new staff to you in this letter. Year 3/4 have commenced the year with Miss Taylor as their class teacher. Year 2 are to be taught by Mr Black this year and we also have a new Teaching Assistant, Miss Little, who has been appointed primarily to work in Early Years and Key Stage 1. We hope that they too will enjoy working at Dunn Street School with your children.

I would also like to draw your attention to the dates of some events happening early in the term.

On Wednesday 9 September, Queen Elizabeth II will become the worlds longest every serving monarch, overtaking the length of the reign of Queen Victoria. To celebrate this the children will have a special lunch with the most popular British Foods available to choose from, Beef and Yorkshire Pudding, Fish and Chips and of course Chicken Tikka Massala. There will also be a selection of 'British Puds' for dessert. The children are being asked to design a 'crown' for a competition in each class. Prizes will be awarded for the crowns voted as the best and will also act as party hats for the lunch. Normally the children would dress up for this occasion but unfortunately, that day has coincided with our School Photographer coming in, and I would like class photographs with everyone in school uniform.

The photographer will be in school as usual from 8.30 am onwards so that family and group pictures can be done with babies or older siblings prior to their school day. Also school will be mindful that pictures of brothers and sisters will need to done on that day.

There are other activities planned for each class throughout the term and I shall obviously be in touch with the details as they arise.

Yours sincerely

S Reader

Head Teacher
