Helen Gibson Nursery School
June 2016

School Holidays

We return to school on the 6th of June following half term. We break up for the 6 weeks holidays on Wednesday the 20th of July.

French Day

On the 29th of June we will be having a French Day. Children will be tasting food, hearing stories in French and learning some French songs.

Dad's Day

If you are a Dad or a Grandad (or male relative) and would like to come along to share in the fun of nursery on the 22.6.16 please sign up on the sheet in the conservatory. Come along and join the fun.

Strawberry Teas and Bear Hunt

On Wednesday the 13th of July we will be hosting Strawberry Teas and a Bear Hunt. Come along and join us for a fun filled session where the children will go on the search of a bear, we will have a raffle, identify the staffs baby pictures, eat ice cream and scones and so much more. Tickets are available from Mrs Howard in the office at the price of 50p per person. We are giving lots of notice in case parents want to take time off work as children will be singing songs at the end. Children can bring their favourite Teddy with them that day.

Farm Trip

14.6.16 all morning children and the beginning of the week 2 and a half children will spend the full day at Hall Hill Farm. There will be **NO afternoon nursery that day in main nursery (Lodge still open).**

17.6.15 all afternoon children and those who attend at the end of the week will spend the full day at Hall Hill Farm. There will be **No morning nursery that day in main nursery (Lodge still open).**

We need parent volunteers for the trip however spaces are limited. Please give your name to Mrs Howard if you wish to help. You will then receive a slip of paper to confirm you have a place on the bus. A voluntary contribution is needed in order for us to go ahead with the trip. Can you put your donation in a marked envelope in the white box please?

The bus will leave school at 9am so please be at the nursery in plenty of time. The bus will return to school at around 3pm.

Forest School Books

The staff have worked extremely hard this year putting together the forest school books. The school has spent a considerable amount on printing costs so this year we would really appreciate a voluntary contribution towards the costs of making them.

Tissues

Coughs and colds seem to be continuing. It would be great if you could bring a box of tissues to help.

Junior School Field

Could we ask that you do not allow your child to run up and onto the Junior School field please? They are about to have new lines painted on ready for Sports Day and have in the past requested that our children do not run on them.

Have an incredible June
