Helen Gibson Nursery School  
January 2017

Welcome back to a new year at Helen Gibson Nursery School. We have lots of exciting things which will be happening throughout the year so keep an eye on the website and newsletters that come your way.

## Parent Workshop

On the 11.1.17 we will be holding parent workshops on Literacy. The first will take in the morning at 8.40-9.40 and the afternoon session will be 12.30 - 1.30. Please complete the slip below to show your interest.

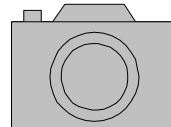

## Parent Helper's

If any parent/carer would like to volunteer to help out 1 session a week in nursery please see Mrs Parker.

## Photographer

On the 1<sup>st</sup> of February our photographer will be here to take individual pictures of your children. If you require a family photo please see Mrs Howard for further details.

## Warm Winter Clothes

Children will be given lots of opportunities this term to play outside and try out new and exciting activities. In order for us to do this and to ensure your child has a full and enjoyable experience could you please provide them with warm clothing?

## Update the Profile

If you have a new mobile phone number or emergency contact details have changed could you please inform the office? Also if your child has any new allergies, intolerances or illnesses this must also be noted on your child's profile.

## Places

We still have afternoon places if you would like to buy them back e.g. if you have a morning place and would like your child to stay all day. If so please contact Mrs Howard.

## Children's Trays

Can you check your child's tray regularly so that we can ensure that all correspondence gets to you in time?

## Have a fantastic January

REMEMBER – SIGN INTO OFSTED PARENT VIEW TO GIVE YOUR OPINION ON THE NURSERY
