

## All Souls Nursery

### Autumn Term 2018

Welcome to the first term at All Souls Nursery. We are looking forward to getting to know your child and your family. This term we will be making sure that your child feels happy and secure. We are going to explore the Nursery environment and also find out about the rest of the school.

We will be completing assessments of your child's knowledge of colour, shape, number and pencil control. From these, we will plan what we will be working on for the rest of the term with your child. We will be counting, ordering and recognising numbers, finding out about our Catholic Faith and sharing stories, rhymes and songs. Our theme for this half term will be All About Us.

Please make sure that your child has their P.E. kit, a pair of wellingtons and some spare clothes (all named) in their P.E. box as we encourage children to explore outdoors in all weathers.

With the season of coughs and colds about to start, could we please ask that you help by providing us with a box of tissues. As part of our R.E theme on Creation and our work on Understanding the World, in the next couple of weeks we would like to plant bulbs and flowers so any donations of spring bulbs etc would be very welcome. If any of you have old metal pots and pans rattling around the kitchen then we could put them to good use in our outdoor setting.

**Below are a few dates that you might find useful:**
