

Home School Agreement Permissions and Communications

Dear Parents/Guardians,

To ensure the Academy continues to create outstanding environments for learning, it is vital that expectations are clear for both parents, students and teachers. In addition to this, it is also important that we have the permission of parents/guardians for a variety of opportunities the Academy will be able to offer.

This letter supports a booklet that summarises all of the expectations and permissions; in this booklet you will find a 'tear away page' that will need signing and returning to your child's tutor. If there are any queries about then please contact your child's Year Head:

Year 7 – Gillian Quincey
Year 8- Yvonne Melia
Year 10 – Lorna Croucher
Year 11 – Jane Manning

One of the most exciting prospects is the opportunity for young people of the academy to learn in and around our local community. This access to the local area will enable teachers to bring the learning of their subjects to life.

Checklist

- Read the Permissions and Communications
- Sign the tear away section
- Return to the Academy via your child's tutor

Please note an electronic version will be available and parents/guardians will be able to return responses electronically; please see instructions on the academy website – www.bosworthacademy.org.uk
