## KS4 Academy Uniform/Tutor Groups/ GCSE Options

Dear Parents / Carers,

Any successful learning community looks to ensure that they offer students the best possible start to their adult life. We are a popular school with an excellent track record of student achievement and progress. Bosworth Academy is currently on a journey that has and will continue to see considerable change as we strive to become one of the best 11-19 schools in Leicestershire. A part of moving Bosworth Academy forward is having an ethos of high expectations and standards in all aspects of school life. *“School uniform supports effective teaching and learning and engenders a positive, calm and respectful teaching and learning environment.” (Department for Education)*

### Rationale

- To help promote an ethos of high standards, high expectations, achievement and success
- To boost students' self esteem, confidence and stimulate pride in themselves and their school
- To prepare students for the world of work by embedding an understanding of responsibility and identity
- To celebrate becoming an 'all the way through' school for the very first time
- To support the new 'three year' KS4

### Tutor Group/GCSE Options

As well as being measured for uniform today, students have also been given a tutor group form to fill in, this form is for students to identify students that they work well with and would like to be in the same tutor group as them. The tutor as well as you will sign off this form. Once tutor groups have been organised students and parents will be informed by letter, together with their GCSE option choices.

This is a very exciting time for Bosworth Academy and I really appreciate your support with the Key Stage 4 Uniform/Tutor Group changes.

Yours sincerely,

Ben White  
Assistant Principal, Head of Key Stage 4
