

Caythorpe Court

Our annual residential trip will take place on the week beginning 26th October. The first half of the year will visit from the Monday to Wednesday and the second half will visit Wednesday to Friday.

Parents will be informed next week as to which half their child will be in. Kit lists will be sent home before half term and there will be an information talk for parents on Monday 12th October at 6pm in the main hall. For any parents who have not made the final payments please contact the office to do so.

Peer mentoring

A new initiative for KS3- we are going to train some year 8 students to mentor some students in Year 7. The training will take place in school on Wednesday 23/9/15 and the mentoring sessions will take place during one tutor time each week.

Lunchtime craft cafe

An opportunity for any student to learn new skills, design and make lots of different products, such as cards, gifts, decorations, learn how to knit and much much more. Bring your packed lunch.

Football

Football training for Year 7s takes place on Mondays 3-20pm - 4-20pm. We've had lots of students interested in joining the school team. Only a limited number of students can be selected for each match. However, we intend to rotate the team each week to give all students the opportunity to play.

The message to students is 'keep turning up to practice and you will play for the team'.

Open Evening

Thank you to all students who came in to help us with the open evening. Both year 7 and year 8 were fantastic in the tours they gave to parents and were invaluable in giving parents a clear picture of a day in the life of a KS3 students in the Laureates. A huge THANK YOU to the parents too for allowing the participation and collecting at the late hour! We have had a number of emails congratulating the students on how well they spoke within departments and carried out their tours.

iPads

The students will be issued with their iPads throughout the week beginning 21st September. We have sent home an iPad agreement with all year 7 students and the device will be issued after we have received this signed agreement back.

iPads will be used in some lessons as a learning tool but will not replace the traditional methods of learning. It is important that students remember to bring these with them every day, charged and safely stored in their bags. They must not be used at the bus stop or on the bus.

Thank you in your support with this.
