## **P.E. and Sport Premium Spend Statement 2014-15**

At Marsden we believe that a high quality and enjoyable physical education programme is a vital part of a child's development. We aim to develop each child's physical confidence and skills enabling them to lead healthy lifestyles. Through our curriculum we offer the children opportunities to compete both against themselves and others, in order to build self-confidence, resilience and a sense of fair-play. The curriculum is designed to enable all children to participate including those who are more able, as well as those with additional needs.
