

Record Breaking Outcomes

✓ We are delighted with a fantastic set of 2018 - Year 6 outcomes for DCAT's five academies. Under the more challenging curriculum introduced in 2014, this year's national outcomes at 64% were the highest on record for reading, writing and maths combined. **Despite this new high water mark, DCAT pupils broke this record with a massive 67%.** Congratulations and thank you to all our hard working pupils, supportive parents and dedicated staff.
