Sixth Form Option Sheet

Student name	
---------------------	--

Please read the Sixth Form Options Booklet very carefully before proceeding

Complete your subject choices, in order of preference using the following criteria:

- Students must have a minimum 35 points from their best 8 GCSE's and at least a Grade 4 in English and/or Maths to access our standard, **Alexandra**, pathway
- Students are expected to choose the equivalent of 3 A Levels
- Only students who have a minimum of 58 points may be permitted to study 4 A Levels on the Advanced, or **Philippa**, pathway.
- Students wishing to study Further Mathematics should list 4 subjects.

Reserve choices are needed because:

- Courses will only run if there are viable student numbers
- Some subjects may be oversubscribed in which case students may have to be offered an alternative

Sixth Form Application Guidance Notes

Current subjects studied

Please list the subjects you are currently studying at GCSE, BTEC Level 2 or AS. Include any actual grades you already have. Please indicate your target grade and your latest trial exam grade.

Best 8 Point Score:

Add together all the points for your top 8 subject grades (remember Combined Science counts as two GCSEs) on the basis of GCSE: 9-1

Legacy GCSEs (e.g. some community languages i.e. Urdu): A* =8.5, A =7, B = 5.5, C= 4, D= 3, E = 2, F = 1.5, G = 1, U = 0

Example:

Eng. Lang 8, Eng. Lit. 7, Maths 9, Chemistry 7, Physics 7, Biology 7, French 7, & History 9

The total points for the best 8 subjects are (8+7+9+7+7+7+7+9) = 61

Additional Study

- **PSHE** (Personal, Social and Health Education). This is compulsory for all students
- **EPQ** (Extended Project Qualification)
- **MOOC** (Massive Open On-line Courses- modules from University courses)
- **GCSE English and Maths re-sits** for students not achieving Grade 4 in Year 11
- **Core Maths** (Level 3 qualification in Maths for those wanting to gain greater proficiency in Maths, equivalent to an AS and recommended for those doing Social Sciences/ Sciences who are not studying A-Level Maths)
