National Writing Day

Wednesday was National Writing Day and the pupils were given the opening line 'I feel most free when...' and we received some amazing responses. Here are a few:

I feel most free when I'm in nature, listening to wild birds and the sounds of the breeze rushing through the trees.

I feel most free when I am spending precious time with my family.

I feel most free when I read, as it takes me to new worlds where my imagination runs wild.

I feel most free when I'm listening to music.

I feel most free when I'm the highest I can be on a swing and for just a moment - I am still.

Gardening Team

A huge thank you to everyone who came into school to help to improve our garden. The children loved working with families and staff.

As a reward for their efforts, the families enjoyed marshmallows over the fire pit in the garden. Mrs McCann and Mrs Thomas are planning activities to maintain the gardens and use it for educational and recreational purposes.

Athletics

Year 4 pupils visited Monkton Stadium for an Athletics meet recently.

The pupils competed against other schools in track and field events. Behaviour and endeavour was, once again, outstanding!

Police Matches

Our annual matches against local police officers (boosted by the addition of a couple of teachers) were completed last week. Thank you to Northumbria Police and to the players and staff for their enthusiasm. It was a lot of fun!

Enterprise Rewards

Year 5 raised over £800 during their Enterprise projects this year. They decided to put the money towards a trip to an indoor trampoline park (with a little bit of help from school). This venture has taught the pupils about business acumen: setting budgets, profit margins and setting financial targets. They had a lot of fun in the centre and by the looks of it teachers did too! The staff at the centre praised the pupils for their impeccable behaviour and manners. Well done, Year 5! More photos of their escapades on our website.

Let's Celebrate!

Head Teacher's Award

We were visited this week by children from Year 2. They had a computing lesson with Mr Shenton, then they had the chance to play with the Junior School children at playtime. During a game of football, one of the Year 2 pupils tripped over. **Oliver Edge** stopped playing to check that he was okay and helped him to his feet. Outstanding care for others. Well done!

Fern McCully helps deliver registers to the classrooms. The teachers are all in agreement that her manners are exceptional.
