Pupil Premium Funding

Background – the Government's View

The Primary P.E. and Sports Premium funding is a Government initiative that targets extra money aimed at funding additional and sustainable improvements in the provision of P.E. and Sport for the benefit of our pupils.

Hadrian School received an allocation of £8,460 for the 2013/15 financial year. We are anticipating £8,000 for 2016-17 plus £5 per pupil = £8,850 for 2016-17.

It was agreed with the school Governing Body and the Leadership Team in consultation with the staff that the funds are to be allocated to enhancing the P.E. offer out of school hours and to ensuring all pupils irrespective of their physical disabilities can access additional opportunities for school sport.

Our Perspective on the use of Primary PE and Sport Premium Funds at Hadrian School

All of our 172 pupils are important to us at Hadrian School. Our assessment data over time has consistently shown that irrespective of disability, ethnicity, sex or deprivation, all of our children make expected progress because we have very high aspirations and set challenging targets for all.

We want to take advantage of every opportunity to broaden our curriculum, to enrich and embed our therapy, to celebrate our talents, to nurture and set our children on the right pathways for future learning and future leisure opportunities. We want to work in partnership with our colleagues in Health and Social Care so that our families in need receive the right support, the right services, the right entitlement, the right challenge in order to again realise potential

We want our children to have skills for life, to learn how to learn, to develop their own voice, to use their own voice. We want them to become confident contributors to society, to be valued, respected and accepted, to be listened to and understood.

Therefore we have carefully reviewed and considered how best to use our additional Sports Premium funding to increase our goals, to ensure that our children are healthy and fit, to ensure that we create opportunities for additional lifelong leisure learning, to ensure that the latest technologies assist our pupil voice, to ensure that we raise our children's aspirations and show them the world we live in through out of school experiences.

Likewise we are consciously working with our staff and parents to ensure we have the most skilled workforce and supported parents through CPD and a wide range of parental workshops, counseling and support. We heavily invest in CPD as a school as we know from research and experience that a highly skilled and informed workforce can really make an impact into the teaching and learning and therapeutic needs of our children. Our own training company HEADS hugely subsidises our training costs to the value of £20,000 on an annual basis with approximately 25-30 staff accessing additional training opportunities each term.

We believe we are doing this job outstandingly and are proud of our extensive curriculum, outdoor learning, additional resources, successful partnerships and our relentless pursuit of excellence. We also believe that by embedding our goals into a longer term strategic plan with joined up thinking that links to our SDP we have a great chance of effectively and efficiently meeting needs over time.

**Hadrian School Primary P.E. and Sports Premium Funding
for the Financial Year 2016 - 2017**

Allocation of Funding for 2016 - 17		Funding £8850

4.	P.E. CPD	£1000
5.	Curriculum P.E. Toolkit	£500
6.	Community Leisure Opportunities	£500
7.	Compass Trust Inter-School Sports	£750
8.	P.E. Coaching Opportunities	£2000
9.	Horse Riding	£1000
Total		£8850
Additional CPD related activities funded directly by Hadrian School.		
	Subsidised costs towards Staff Training in the following areas this year 2016-17: Rebound Therapy x 12 P.E and School Sport x 15 Complimentary Therapies x 8 First Aid x 18 Learning Through Aquatics/Halliwick x 4 Sensory Curriculum/Massage x 30 CPOMS – Whole School Outdoor Learning x 20 Moving and Handling – Whole School Evaluation, Feedback and Marking – Whole School Compass Trust Joint Training Day – Whole School	£6500

We will continue to work with our Governing Body and Leadership Team to monitor our Action Plan and the impact of Sports Premium funding across school. We will also continue to closely work in partnership with our parents/carers to ensure that our children's learning and therapeutic goals are shared, in partnership with our partners in Health and Social Care through their EHCP.

P.E. and Sports Premium Plans for 2016-17

1. Two additional therapy support assistants over 39 weeks to support the Therapeutic Curriculum

We have now employed an additional Therapy Support Assistant to ensure we have the capacity and flexibility to access Rebound, Hydro, Tac Pac and Sensory Circuits. The new team are also going to develop an assessment set of criteria with a certification system that will allow us to more closely monitor and record the children's progress in these areas.

2. Subsidised costs of running Saturday Clubs throughout the year (Children in Need funded £6500)

We have targeted our PP children first to access additional Saturday Club opportunities. Currently we have 62.9% of attendees on PP. We are going to continue to focus upon the breadth of curricular access during club sessions including meeting the therapeutic needs of some of our PP children. Saturday Clubs will also be more focused on community access to cafes, farms, leisure activities. We will also offer increased places for children over the coming year.

3. Subsidised costs of running the After School Clubs throughout the year

Once again we have targeted our PP children to access After School provision and currently have 58% of attendees on PP.

We have also dedicated a responsibility area to one of our Teaching staff to ensure that we provide enhanced access to Literacy and Numeracy activities in out of hours learning linked to the children's PLP learning outcomes.

4. Additional Lunch Time Clubs throughout the year

Lunchtime clubs are being used to provide additional Rebound Therapy and hopefully soon additional Hydrotherapy access for our children. We aim to extend the range of lunchtime provision to include Thrive clubs and Lego clubs linked to our focus on mental health and wellbeing.

Summary

The P.E. School Sport offer at Hadrian School is outstanding. We have successfully attained the P.E. Games and School Sport Gold Standard this year in recognition of the breadth and quality of our P.E. and School Sport. Our pupils have an extensive curriculum and we have utilised the additional funding effectively to fund additional and sustainable improvements to our offer, linked to the promotion of healthy lifestyles and learning goals in our children's EHCPs.

Due to the nature of our children's disabilities and difficulties for some families accessing out of hours learning we have run several coaching opportunities at lunchtimes, e.g. football coaching, Rebound, dance and basketball. We have also incorporated additional coaching opportunities into our after school clubs, Saturday morning clubs and holiday clubs. We will continue to make best use of any additional funding from the P.E and Sport Premium and continue to ensure that we embed additional funding into long term sustainable improvements to our extensive P.E. and School Sport offer.

Hadrian School Primary PE and Sport Premium Funding for the 2 Year Period 2013 - 2015

Hadrian School received a Primary PE and Sport Premium allocation of £8,460 for the 2 year period 2013/15.

Allocation of Funding for 2013 - 2015		Funding £8460
1.	Enhancement of P.E. resources, PE mats, outdoor PE equipment, Hydrotherapy resources, Trophies/Medals	£1000
2.	Trampoline and End Decks	£3000
3.	Basketball Resources	£200
4.	P.E. CPD, Rebound, Elements, ASD P.E., Hydro, Inclusive P.E.	£1000
5.	Sports Kits	£260
6.	Compass Trust inter-school sports, Commonwealth Games, Swimming Gala	£500
7.	P.E. coaching opportunities, Football, Basketball, Volleyball, Dance (Bollywood), Keep Fit, Wanderers' Club events, Healthy Active Lifestyle Coaching	£1500
8.	Horse Riding	£1000
Total		£8460

The Impact of Sports Premium from 2013-15

As well as the above spending we have also utilised our own resources to embed the P.E. and School Sport curriculum in and out of school hours. The appointment of one full time Teaching and Learning Assistant to support the therapeutic needs of the children was a great success. This role has grown over the year into a Therapy Support Assistant linking with Physiotherapy and Occupational Therapy to great effect. We have established eBook programmes for all children who require a physical intervention plan and have closely monitored and recorded their progress over the year demonstrating tremendous progress and huge gains in physical and emotional wellbeing.

We facilitated 16 Saturday Clubs across the school year. The clubs helped to build confidence, self-esteem and help to promote and maintain good behaviour in different settings. The clubs are an opportunity to provide additional therapy access and help the children realise their therapeutic goals. The PLPs and 'All About Me Books' have been integrated into the planning and delivery of the Saturday Club sessions effectively.

We facilitated a successful run of After School Clubs on Tuesday and Thursday evenings. PP children of all ages and abilities had access to a range of activities including the following; Rebound Therapy, Hydrotherapy, Sensory Story Massage, Leisure activities on and off-site and cookery. These sessions offered our children opportunities to develop their confidence, self-esteem, life skills and choice making. We were able to promote healthy eating, aspects of our Thrive curriculum, independence and wellbeing.

Summer Clubs ran successfully over a two week period. This allowed us to maximise the networks and opportunities we have developed with partners in the community, for example, giving the children access to Circus Skills experiences, visits to the local community cafes and farms. We also focused upon the therapeutic needs of our children and gave them an additional two week access to Rebound, Hydrotherapy and Sensory Story Massage. The PLPs and 'All About Me Books' have been integrated into the planning and delivery of the sessions effectively.

Hadrian School works in partnership with HEADS (Hadrian Education and Development Services) who provide SEN Training both regionally and nationally. Our professional CPD portfolio is exceptional and extensive and allows us the opportunity to offer a wide range of specialist training opportunities for all of our staff. This helps facilitate quality first teaching with staff equipped to meet the diverse needs of our children in relation to our School Development Priorities.

Our P.E. and School Sport funding added to our CPD offer providing opportunities for staff to develop specific P.E. skills related to ASD (x6), PMLD (x6) and inclusive P.E (x8) in addition to our own Hydro (x12) and Rebound (x16) training offer.

The P.E. and Sport Premium allowed us to enhance our teaching resources to effectively deliver our curriculum with the acquisition of an additional trampoline and end decks to facilitate Rebound Therapy. We also purchased additional mats to help run additional gymnastic and dance workshops and trophies/medals to present to children following coaching sessions and inter-school sporting activities.

The funding also enabled a wider range of additional coaching opportunities to be offered to our children which we aim to build into our school repertoire and to continue to provide on a cyclical basis including new ventures into Bollywood dancing, volleyball and Horse Riding.
