

Learning and Growing Together

Monday, 06 February 2017

Dear Parents and Carers,

As part of our 'Mighty Metals' topic we are going to be designing and making our own robots out of recyclable materials, (empty cereal boxes, cardboard tubes, plastic bottles, etc). If you have any items that you think would be suitable please could you start saving them ready to bring into school **next week**.

Thank you for your continued support.

Mrs Burton, Mr Bond, Mrs Vickers and Mrs Reasbeck (Year 3 Team)
