Dear Parents/Carers,

Space Workshop

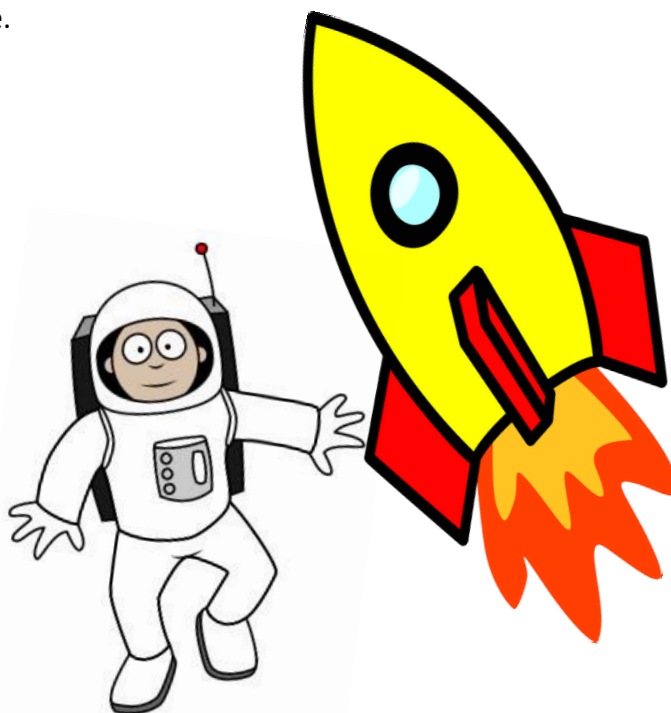

On Monday 27th November, we have arranged for a visitor to come and work with our Year 5 classes as part of our Space topic.

During the workshop, we will have a flight session inside an inter-galactic space ship where we can undertake fun astronaut training before discovering the Solar System and beyond! We will also become engineers as we make small air rockets to help us understand forces. It will be a brilliant experience and a great way to conclude our Space topic.

The cost of the workshop will be **£4.00** and must be paid via ParentPay by **Thursday 23rd November**. If you require a barcode to be able to pay at a Paypoint, please contact the office as soon as possible so that you are able to make your payment on time.

Thank you for your continued support,

Miss Barrett and Mrs Ajimati
Year 5 team

Safeguarding children is everyone's responsibility. If you have any concerns about a child, please telephone 01302 737777
