

Date: February 2012

Dear Sir/Madam,

Re: Application for position of Teacher of English

Thank you for requesting an application pack for the above post. North Shore Health Academy was opened in September 2010 following the amalgamation of the two predecessor schools and our specialism is science with a focus on health and wellbeing.

Our strategic vision is:

North Shore Health Academy students will achieve to their full academic and personal potential. They will be respectful, tolerant and enthusiastic in their endeavours. Unlock their potential with positive attitudes and aspirations. Overcome their difficulties and achieve their ambitions.

In applying for this position we expect the successful candidate to contribute towards the above vision and also be committed towards safeguarding and promoting the health and wellbeing of our students.

It is an exciting time in the Academy's development; building an inclusive aspirant community where learning is valued by all and drives progress and opportunity for both students and staff. We are looking forward to moving to a new site in March 2013 and all the exciting opportunities a new build brings.

I hope you find our information useful and informative in helping you make your choice to apply to our Academy and I look forward to receiving your completed application.

Yours Sincerely

Lynn James
Vice Principal

Principal: Chris Coady
