

Labour Market Information

Ever wondered what job you may be doing in 20 years?

Have you ever thought that it may not have been invented yet?

LMI is Information about:

- **General employment trends** - (i.e. unemployment rates; skills gaps; future demand)
- **The structure of the labour market** - (i.e. what jobs exist, how many, which sectors e.g. transport, construction and finance)
- **The way the labour market functions** - (i.e. how people get into jobs & move between employers)
- **Focusing on equality and diversity** - (i.e. which individuals are employed in different sectors, at what levels/pay?)
- **The interaction between labour demand & supply** - (i.e. mismatches – unemployment, skill shortages)
- **National, regional and local labour market variations** - (i.e. size of workforce, prominent sectors, etc.)
- **Progression routes** - (i.e. career structure, earnings, transferability of skills, etc.)
