

Parent/School Partnership

Actions taken since last meeting

- 1) At parents evening we gave out MyEd leaflets and spoke to parents about the benefits. An instruction leaflet was also attached to all the parents evening letters. The school is currently looking at how we utilise MyEd as we feel there is more scope and potential.

- 2) All sporting fixtures are on the website and there is also a direct link to 'Hyde Community Matters' which details all the school success stories. A letter will go out at the end of each term summarizing successes for that term. 6 year 8 students have been appointed as 'press officers' for the school and they have been chasing up stories, taking pictures, doing interviews etc.

- 3) The consistency of reports was discussed at SLT and measures were put in place. Random sampling of reports now takes place and more detailed advice was given to staff on when they should and should not highlight concerns with regards to progress and resilience. The red column has been taken out.
