

2018 GCSE Results Day

**GCSE results day is 10.00am – 12 noon on
Thursday 23rd August 2018**

Students who cannot collect results **MUST** complete the results consent form available on our website or from the Exams Officer and return it to the Exams Officer by the end of term (Friday 20th July 2018).

GCSE Certificates

Each year certificates are awarded at Certificates Evening in the Autumn Term. We will write to you nearer the time with details, inviting you to this event.

Students not attending this event should collect certificates from the Examination Officer in school **after** Certificates Evening.

Once awarded, certificates must be kept in a safe place as they are difficult and expensive to replace. Certificates will probably be required as proof by colleges and/or employers when applying for courses or employment.

If lost, you must apply to the relevant exam board for replacements.
